ASHLEIGH HORSHAM

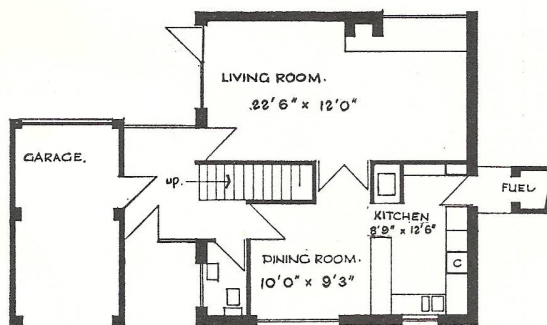

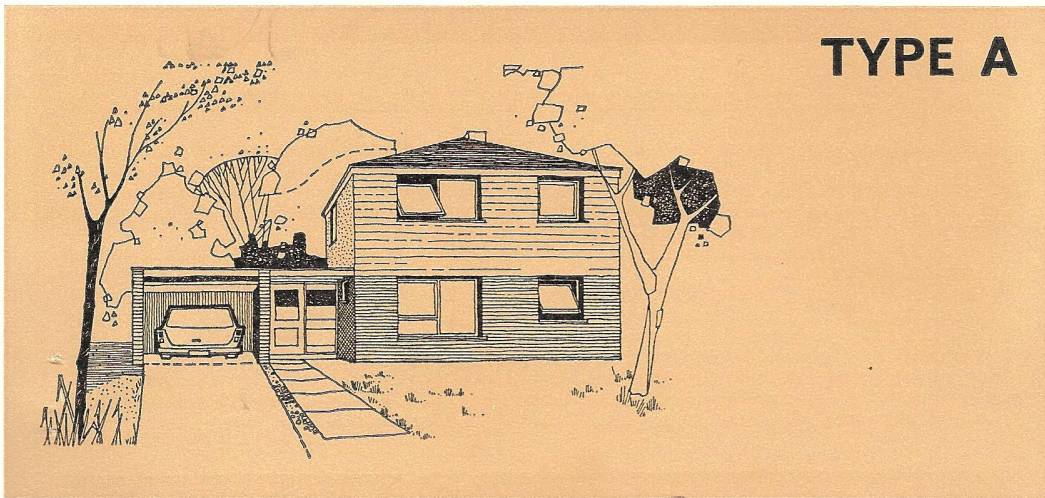

THE ASHLEIGH NEIGHBOURHOOD DEVELOPMENT HORSHAM

HORSHAM, midway between London and the Coast, an ancient market town and possibly the best shopping centre in North Sussex, has always attracted the person who enjoys the full life. Christ Hospital Public School for Boys is in the Town and a number of very fine Girls' Schools. Also Collyer's Grammar School for Boys and Horsham High School for Girls plus many other State, Anglican and Roman Catholic Schools. Mannings Heath Golf Course is close at hand and the lovely countryside for which this part of Sussex is noted.

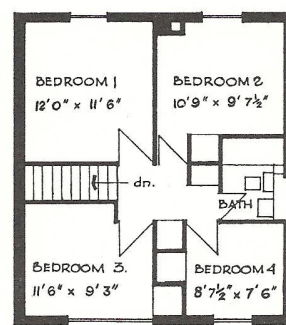

County and Suburban have acquired this wooded site formerly the grounds to a Girls' School known as ASHLEIGH, fronting the London Road a few minutes from the station and shopping centre with many specimen trees, old brick walls and stone paths. These embellishments have been carefully preserved by the Architects, Thompson & Chipperfield, F./F.R.I.B.A., who have created a charming development in which a graceful and stylish blending of town houses, detached houses and flats are carefully set amongst the old trees and gardens. Additional landscaping has also been carefully devised to augment the original garden layout.

FEATURES OF THE ASHLEIGH DEVELOPMENT AT HORSHAM

The houses, completely new in design, are arranged in shaped terraces or groups of units with rooms so positioned to achieve maximum sun and privacy. This policy has required the architects to include in the town houses patios which are very much a feature of the houses. Other points of interest are as follows:

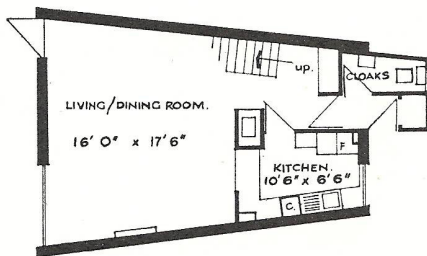

- Completely automatic central heating by gas in all houses (the most economical form of heating in this district) electrical heating in flats (the most suitable method).
- Carefully styled kitchens. Complete range of units by Kandya and also including waste disposal units and drying cabinets in town houses.
- Hard wood or carpets to the floors of all living rooms and halls.
- Tiled bathrooms in colour. All houses include cloakrooms with wash basins and W.C's.
- Garages to all units, and parking bays.
- Landscaping to the fronts of all units and to the grounds generally.

Horsham is 38 miles from London, 23 miles from Brighton and the quarterly season ticket to Waterloo is £24 9s. The Local Authority is Horsham Urban District Council and rates are 9s. 3d. in the £ and 1s. water rate.

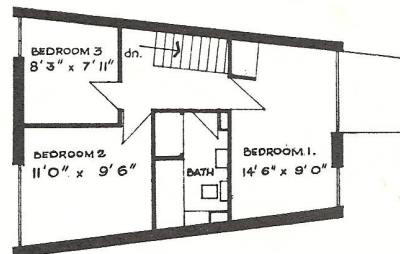

There are all denominations of churches in Horsham.
